

YADAH

The Yadah is an extracurricular activity that falls under our cultural umbrella and will therefore also form part of the Big Brag at the end of the year. This group aims to create a safe, happy place for all learners (Grades 1 – 7) where they can learn more about God, praise and worship Him and be actively involved in outreach projects.

Each “session” will consist of the following:

- Message from the Bible
- Praise and worship God through song
- Practical aspects of a project.

What do the projects involve?

The plan is to guide learners through the process of each project.

This includes the planning, marketing, preparation and execution of the project.

The Yadah members will not be responsible for providing all the products needed.

They will, however, be involved in the project management and activities.

Our projects include the following:

- Posters with uplifting messages for the school
- Pamper packages for the residents of a needy old age home
- Collection for and visiting the SPCA
- Care packages for the homeless
- Our ongoing food bag project
- Christmas and thank you gifts for our grounds staff
- Other projects with the churches, e.g. the winter jacket project.

Yadah means to praise God with outstretched hands. We want to honour God by taking action and helping through projects that will truly make a difference in the lives of others.

If your child would like to get involved with the Yadah, send him / her along on Tuesday, 24 May at 14:00!
