MIDSTREAM COLLEGE – ROCKING ON TWO WHEELS

On Saturday, 17 June, Midstream College participated in the second league race of the mountain biking season. It was an excellent day out at the Grootfontein riding track. We arrived with anticipation with more than 20 riders who had entered the race. The atmosphere was charged with energy and excitement. Even with all the dust and rowdy spectators, nothing could dampen the cyclists' spirits. All of our learners performed exceptionally well – moving up a total of 12 overall places in the rankings. We climbed from 30th to 18th place overall, out of 50 schools. This is a remarkable achievement considering we are newcomers to the sport. A massive congratulations goes to our team captain, Richard Morris, who won the U13 age group race, thereby becoming the new overall leader. He also has the privilege of wearing the leader's jersey. We are proud of all learners who participated and we hope to grow the sport even more. Our next race will be in August and we are ready to take up the challenge.
