

Dear Heavenly Father,

We gather before you as a school, a tapestry woven with diverse talents, passions, and responsibilities. In the midst of our busyness, fatigue, and challenges, we seek your presence and guidance.

Grant us peace, that amidst the whirlwind of activities, we may find moments of tranquility to rejuvenate our spirits.

Instill calmness within us, so that we may approach each task with a steady heart, free from anxiety and worry.

Bestow upon us strength, to endure the demands of our endeavors and rise above any obstacles that may come our way.

Pour out your wisdom upon us, that we may make informed decisions, solve problems creatively, and learn from every experience.

Grant us perseverance, that we may press on even when the journey seems daunting, knowing that our efforts bear fruit over time.

May your grace envelope our school, touching every corner with your love and light. Bless each member of our community, from the students to the staff, with a sense of purpose and a heart full of compassion.

In unity, we lift these prayers, seeking your divine guidance and the fortitude to face the challenges before us. May we be a source of inspiration, support, and encouragement for one another.

In your holy name, we pray.

Amen
