HOCKEY

Dear Hockey parent,

31 August 2021

We are so very excited to be back on the hockey field.

For the last three weeks, our focus has been purely on getting back into the swing of hockey. We have worked on skills and the theory of the game.

Due to Covid, we have been restricted in many ways. Our high school has had to finish their league, which forced us to adopt a different schedule. We have also not had a set league for 2021, which means that we have been able to practice in our age groups as opposed to teams. We have decided that it would be wise to continue these group practises and rotate players for matches. This will give all our players the best opportunity for the next season.

Our under 13s will soon begin practice sessions with the high school in order to facilitate their transition into the high school teams. The high school will approach the under 13 parents with more information as soon as the details are confirmed.

Please find attached the amended schedule, which will take effect from 6 September 2021.

We know that there will always be some clashes with other extra-murals, however we have always found a way to manage this and we want to encourage all parents to contact the relevant group managers whenever clashes arise.

We will be playing some friendly matches towards the end of the term. More information will be sent out closer to the time.

If you need any further information, please feel free to contact the group managers or Mr. Brameld via email. All the amended details can be found on the school's website.

Kind regards

Mr R. Brameld
