Hi Everyone!

Congratulations to each and every player who will represent the Midstream Tennis Tigers in the 2022 first term league!

Just a few points regarding team arrangements for term 1:

1. We will adhere to a strict code of conduct as far as behaviour on, and off, court goes. Team members are expected to behave exceptionally, towards their opponents and especially towards their team members. We are Midstream and should always strive to be the best PEOPLE that we can be, while playing the best tennis that we can play!
2. Reserve-players of teams are regarded as part of that team for ALL purposes, for instance capping and / or awards, medals, certificates etc.
3. I will make Whatsapp team groups, like in previous years.
4. I have made Captain selections based on seniority and experience of the players, not based on how well they play. I will arrange a captain's meeting, to discuss their responsibilities.
5. When a captain has to play in another team on a specific day, the nr. 1 player in the team on that day, will serve as captain.
6. Players should please commit for every match during the first term and keep Monday afternoons available for the Tennis League.
7. All players wear PE clothes with white shirt on match days, except for first teams, who will wear their first team outfits. If all players in the team for a specific day, has the "additional" school tennis outfit (our Janel-outfit! 😊), it may also be worn. We will arrange that within the specific teams. Uniformity and neatness is always important. White socks and school caps (or plain white, maroon or black caps), must be worn. Funny headbands and "lucky socks" are not allowed.

Lots of Tennis Tiger love! Nicoline 😊
